Buy Utah CPE Credit Hours for CPAs

Fun Facts

Statistically there are about 2,550 CPAs in Utah

..

With a requirement of 40 CPEs per year, that means that if CPAs in Nevada were required to maintain their certification on CPE to maintain their certification, they would need to complete 40 CPEs per year.

..

Boeing 737s take about 5,500 hours to build, so if CPAs built airplanes instead of doing CPE, Utah would build about 0.47 Boeing 737s per year.
